

88 Olliers Road MOUNT ROWAN VIC

4 1 8

A wonderful opportunity exists with this original homestead property built in the 1880's. Being situated on two crown allotments allows for realignment of boundaries and possible development. There is a magnificent 1880's solid red brick on 55 acres and another allotment of 18 acres fronting both Creswick and Olliers Road. The property still has many original features. The home is currently tenanted and has generous rooms throughout including open fire places, decorative cornices, wide hallways and many period features. Properties so close to town rarely present themselves on to the open market. Take advantage of this opportunity not seen in the last 70 years.
